

**1 Set besteht aus:**

**1 Set are included:**

### **Solar Panel**

**250 Wp poly**

**Number of cells 60 cells (6 x 10)**

**Size (L x W x H) 164 x 99 x 3,6 cm**

**Weight approx. 17 kg**

### **Underconstruction**

**Material: hot-dip galvanized**

**powder-coated**

**flat steel**

**Made in Austria**

**Size: (L x W x H) - 87 x 5.0 x 50.5 cm**

### **Single Inverter**

**AEConversion 250 Wp with integrated  
electronic power switch according to VDEAR-  
N 4105**

**Maximum input power: 250 W**

**Maximum output power: 240W**

**Maximum input current: 11 A**

**Maximum efficiency: 93.5%**

**Operating temperature range: - 30 ° C - + 70 ° C**

**Size (L x W x H): 34.4 x 26.7 x 6.6 cm**

**Weight: 2,5 kg**

**Cooling: natural convection**
