

Concentrix Technology

Technical Information

Concentrix Solar Inverter CX-6

Type	Concentrix Solar Inverter CX-6
Nominal AC Power	6.9 kW
Grid Voltage	400 V 3 phase
Power Factor	~1
Max. Efficiency	96.5 %
European Efficiency	95.5 %
Circuit Design	Transformerless, grid tied
Operating Elements	AC switch
Connections	RJ45 external port, azimuth and elevation control
Ambient Temperature	-20°C to +50°C
Cooling	Free convection (no fan or blower)
Protection Class	IP54 according to EN 60529
Noise Emission	< 35 dB noiseless
